Hi, I'm Jamilah

I HELP SPED TEACHERS, PARENTS, AND PRINCIPALS WORK TOGETHER TO EMPOWER CHILDREN.

Jamilah F. Bashir is an Education Consultant and IEP Coach for special education teachers, helping them to balance being a teacher and case manager so they can level up at work and at home. She also helps parents navigate the often complex IEP process with more peace and ease.

Jamilah is a sought-after guest and speaker, sharing her wisdom on stages such as Educators Moving On (EMON) LIVE Conference and the 12th Annual Progressive Education Summit. She's the author of *Because of H.E.R.* and the author/creator of several specialty books and courses in the IEP space. She reaches over 5,000 people per week through her website and social media.

When Jamilah is not leading a professional development for teachers or coaching clients about the IEP, she can be found traveling the world, watching a Broadway show, enjoying a live performance, or participating in community service.
